1. Let's turn the T V off, and put the mu - sic on;
2. Then when I touch your hand and gaze in - to your eyes;
3. If love is all we have, Then love is all we'll need,

Talk the way we used to do, un - til the night has gone.
you'll look and un - der - stand the way I feel to - night.
Our love will last for - ev - er, and by the hand will lead.

13

We'll turn the lights down low, and all our mem' - ries share;
And when our pas - sion's found the place it's meant to be;
A - round the world we'll fly, through skies of a - zure blue;
