

# O faithful Shepherd of your people

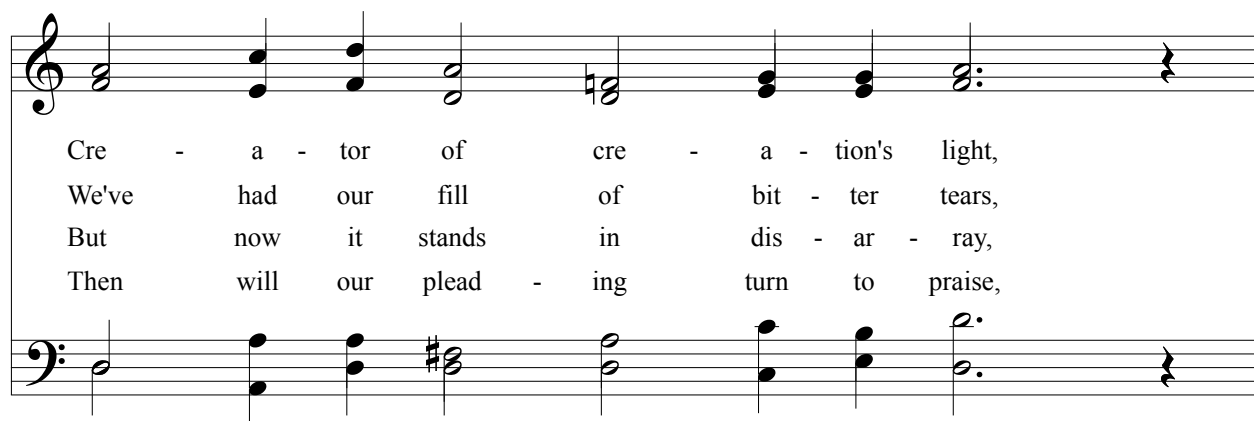

## Psalm 80

1. O faith - ful Shep - herd of your peo - ple,  
2. O God, why must we feel your an - ger?  
3. The pre - cious vine - yard that you plant - ed  
4. O faith - ful Shep - herd, send sal - va - tion,

take pi - ty now and hear our weep - ing.  
How long will our prayers go un - an - swered?  
once shad - ed the hills with its branch - es.  
the Liv - ing Vine for whom we've wait - ed.

Cre - a - tor of cre - a - tion's light,  
We've had our fill of bit - ter tears,  
But now it stands in dis - ar - ray,  
Then will our plead - ing turn to praise,

come show a - gain your sav - ing might.  
 the scorn of foes weighs down our years.  
 and greed - y hands strip what re - mains.  
 from grate - ful hearts a song we'll raise:

Re - store us with your life di - vine;  
 Re - store us, let your glo - ry shine.  
 When will we taste a - gain your wine?  
 "Our God is good, his glo - ry shines,

graft us in - to the Liv - ing Vine.  
 Graft us in - to the Liv - ing Vine.  
 Graft us in - to the Liv - ing Vine.  
 grafts us in - to the Liv - ing Vine!"
